Crafted Glory is a leading furniture maker based in the Asheville area. Our passion is to craft excellent hand-made hardwood furniture that is functional and bespoke. We create phenomenal works of art that our clients cherish as keepsakes and worthy of being passed down from generation to generation.

We believe in enduring quality and timeless beauty. Therefore, we are careful to make work that exceeds our clients' expectations. We work tirelessly to ensure that our furniture satisfies our client's needs.

We are a team of craftspeople who have spent years sharpening our skills under the training of elite woodworkers and by the tried-and-true method of much practice. We combine traditional woodworking techniques with high-tech capabilities such as CNC machining. We are thoroughly equipped to bring our client's dreams to life and execute them with precision and detail.
